

Interface/Control Products

Patented MicroLens™ technology, performance record to none. High-efficiency LCD and keypad backlighting - Custom designs from 1" to 19". Low-cost Far-East manufacturing - Specialists in white LED backlights
www.glthome.com 1-800-265-7283

Supplier of displays for companies worldwide with over 25 years of experience in LCD's and their products include: Digital Signage LCD Monitors, Open Frame Monitors, Industrial Monitors, Slim Panel LCD Monitors, Sunlight Readable LCD Monitors, LCD Desktop Monitors, Gaming Monitors, LCD Monitors, Panel PC's, and more!
www.utitechnology.com 1-800-265-7283

State-of-the-Art passive colour LCDs - OLED Displays - sunlight readable LCDs, lifetime supply guarantee - TFT product line - the best colour performance - 2.5" to 10.4" sizes
www.americas.kyocera.com/kicc/lcd 1-800-265-7283

World-class optical data transmission light sources and detectors make possible the use of plastic optical fibre (POF) in high bandwidth, low-cost links with exceptional data capacity
www.firecomms.com 1-800-265-7283

Solid expertise in mixed signal technology, with advances in phase locked loop applications combined with digital flexibility - solutions range from frequency generation products to clock and data recovery
www.phaselink.com 1-800-265-7283

Aker's comprehensive product range offered in through hole and surface mount includes: Quartz Crystals, Clock Oscillators, Voltage Controlled Crystal Oscillators, Temperature Compensated Crystal Oscillators, Quartz Crystal Filters and Ceramic Resonators
www.aker-usa.com 1-800-265-7283

Seiko - Thermal printers and associated software & hardware
Leaders in printer technology! - High speed Kiosk printers, Blue tooth, irda, and serial interface Mechanisms plus plug and play printer solutions.
www.siiprinters.com 1-800-265-7283

ISO 9002/QS 9000 Certified LED Manufacturer
Broad selection of LED Lamps, SMD LEDs, & LED Displays
Ultra Bright LED, IR LED, Photo Interrupters - Custom LED & Value Added Assembles
www.sunledusa.com 1-800-265-7283

Standard & custom monochrome LCD glass & modules, TN, STN, FSTN, HTN CSTN, TFT OLED Displays - all technologies in display can be provided from the CMI group.
www.calbrooke.com 1-800-265-7283

Power Supplies, Components & Packaging

Standard & Custom inductors - Board mount connective components - Termination hardware
www.cambion.co.uk 1-800-265-7283

Excel Cell Electronics Ultra Miniature USB, Terminal Blocks, Board to Board SMT, Switches, Relays, Connectors, Cable Harness, Chip Inductor & Bead, & Resettable fuse
www.calbrooke.com 1-800-265-7283

Power cards/modules, Point of Load modules
Standard DC Converters - full, 1/2, 1/4, 8th, 16th bricks - Custom DC Converters - 10W to 600W
Standard and custom AC-DC power supply - 30W to 1.5kW, industrial temperature range
Standard Telecom Power Systems—1U/2U rectifiers, indoor/outdoor cabinets and service
www.powersupplysystems.com/converters 1-800-265-7283

Quality Power Cables - Commercial & Medical cord sets & sockets - Custom power cable harness
www.webberelectronics.com 1-800-265-7283

Power Conversion Products - AC/DC & DC/DC - Open Frame, Desktop & Encapsulated
Standard and Custom - International and Local Safety Approval
www.total-power.com 1-800-265-7283

Over 90 products to help device manufacturers, implement control networks
Products include: power line and twisted-pair transceivers, network interfaces, control modules, and network management software.

Manufacturing AND Design Services

Membrane Switch Assemblies, Silicone Rubber Keypads, Entire Front Panel Solutions, LCD's Standard & Custom Displays, Electronic transformers, Precision metal turning, Magnesium moldings, Over molding of rubber on other materials such as plastic or magnesium, OEM/ODM of alarm products, Custom Manufacturing and Design, Import and Logistics 1-800-265-7283

The electronic contract manufacturer preferable to import: Value added purchasing, lean manufacturing and management processes, and advanced quality systems. Let us show you how a domestic supply chain, quick turnaround processes, and lean focused administration can give you the quality and cost that you need, without sacrificing timely communication and superior responsiveness
www.powerlynxcorp.com 1-800-265-7283

Full service engineering firm, which provides: design, consultancy, CAD services, manufacturing engineering and production co-ordination. All phases of product development and production
www.ipmglobal.com 1-800-265-7283

Vertigo designs, engineers and produces a variety of products including street furniture, mall directories, POS displays, menu boards, kiosks and many custom parts and assemblies. Tooling skills, modern machinery & cad/cam systems make the perfect mix for precision sheet metal fabrication.
